## Scavenger Hunt Rules

Do **not** check mobile equipment that is in operation, or enter mine work areas (Pit/Crusher etc.)

- ✓ Everyone will go to each item or station as a group in a safe and orderly manner.  
**(Stay in your group)**  
**(No Horseplay)**
- ✓ Each person in each group must see the item and know the items location.
- ✓ Each group will designate a person to keep track and write down answers.
- ✓ All members of the group must initial each item after completing the assignment.
- ✓ Groups must stop after 25 minutes and report back to the conference room with their results.
